9. The estimate of Rs490/- was accordingly sanctioned and the one of Rs1100/- sanctioned in Pro. No.587-9 dated the 21st Nov. 1900 was cancelled.

10 In his letter No.1557 dated 14th Dec. 1903 (received with the Senior Surgeon's No.1835P dated 5th Jan. 1904), the President, Bangalore City Municipality, reports that prior to the receipt of the order referred to and in anticipation of sanction, orders had been issued by the then Vice-President, Mr. Badami Krishna Rau, for the collection of materials for constructing cer-tain sheds , that in the meanwhile the demand for mandi sheds having become very pressing, some ten sheds were built out of the materials of cer-tain dilapidated camp sheds at a cost of Rs490 while the order ~~No 5018-13-L.I.I.869~~ 587-9 dated ~~4th Oct. 1901~~ 2/11 Nov. 1900 was cancelled as observed above.and that the cost of the materials collected is Rs 156-14-8. The President now submits a bill for this amount and requests sanction thereto.

2 X As from the letter now under consideration it is inferred that some doubt existed as to whether the contractor had really been given a written order for the collection of the materials in question, it would have been more ~~satisfactory~~ if the President had sent up this order ~~delay~~ search, which, after some, is alleged to have been found to exist.

3 X2 Nothing is stated as to what use, if any, has been made of the materials collected and whether they exist at all.

Sir,

Adverting to correspondence ending with this Office docket no: 87 dated the 14th September 1901 to the address of the Assistant Secretary to Government in the Local Boards Department, regarding the construction of certain mandi sheds in the New Thanaspete, I have the honor to state that the former Vice-President Mr. Badami Krishna Rao had ordered the collection of materials for certain sheds previous to the receipt of the Government Proceedings No: Pg. 587-9 dated the 21st November 1900 and in anticipation of sanction of the advance of Rs 1100/- referred to therein.

In the meantime, demand for Sheds having become very pressing Some ten Sheds were hastily built up out of the materials of certain dilapidated camp Sheds at a cost of Rs 490/- to which Sanction was obtained separately.

The necessity for more Sheds having ceased, the order of advance Quoted above was not cancelled. But Some time after, the Contractor who had collected raw materials for Sheds, began to press his claim for payment for the Quantity he had collected upto the date of his being told not to proceed further. His claim was not admitted at the time, the former Vice-President having been transferred from the Municipality and his written order for the collection of materials not having been available in the Office. And the Municipal Engineer Mr. Chengalva-raya Naidu who had Communicated the Vice-President's Order to the Contractor having been also out of duty on Suspension After Some correspondence with Mr. Badam Krishna Rao and after the reinstatement of Chengalvaroya Naidu in February last

it was found that the former Officer had really issued a written order in the matter and that the Contractor's Claim could not but be admitted.

A bill Amounting to Rs 156-14-8 received from him is accordingly herewith sent. I request that it may be kindly sanctioned out of Plague Funds.
